

## Canon IP3600 Printer

**Model : 11002001**

Manufacturer : Canon

Great For Home Printing Projects with Professional Results

Vibrant, beautiful photos and documents with cost saving individual ink tanks  
9600 x 2400dpi resolution 1 picolitre FINE print-head technology Produce long lasting printed photos with a combination of Canons genuine dye ink and genuine photo papers Efficient individual ink tanks saving you time and money Print photos directly from compatible digital cameras using PictBridge technology, no need for a PC Photo lab quality prints delivered in high speeds thanks to FINE print head technology Print and copy at up to 26ppm black and 17ppm in colour 2-way Paper Feeding

The PIXMA iP3600 is an ideal photo and document inkjet printer capable of ejecting microscopic 1 picolitre ink droplets and achieving 9600 x 2400 dpi to ensure even smoother gradation by eliminating graininess. The convenience of individual ink tanks means you only need to replace the colour that runs out. Its compatibility with PictBridge technology means you can print photos directly from compatible digital cameras and mobile phones.

Price : \$94.95
